

The Arc Northern Chesapeake Region

For People with
Intellectual & Developmental Disabilities

For over fifty years, The Arc Northern Chesapeake Region has helped people build better lives one day at a time. The Arc offers a wide variety of services to children and adults with intellectual and developmental disabilities in Harford, Cecil and Kent Counties to make informed choices about their lifestyles, vocations, education and recreational pursuits, and to assure stable and nurturing lives among their families and friends.

Helping people to live rich and vibrant lives is at the core of The Arc's philosophy and mission. Proceeds from this year's event will help adults and children to meet everyday needs as well as for The Arc to continue to explore and develop cutting edge services for the people we support.

*Live & Silent Auction
Opportunities*

The Arc Northern Chesapeake Region will be hosting their 8th annual After dArc Auction & Gala fundraiser on March 31, 2012. Last year's event drew a sold out crowd of over 450 people and raised over \$85,000 to support children and adults with intellectual and developmental disabilities.

We are hoping that you will be able to help us with this year's auction by contributing a tax deductible donation to our silent or live auction. As a donor, you will receive prominent recognition on all printed materials, including the event program, Silent and Live auction catalogue and the event website.

Thank you so much for your support. It really makes a tremendous difference to the individuals and families that we support.

Sincerely,

Jennifer Virts
Auction Chair
