## **Jones Junction Commitment to Excellence Extends to the Community**

Steve Smeltzer, General Manager of Jones Junction, presents Torri Dietrich, Director of Development, The Arc NCR, with a check for \$22,000 to assist with the purchase of new vehicles for The Arc. This donation makes it possible for people receiving services from The Arc to access consistent and reliable transportation to job sites and enjoy recreational opportunities in the community.

*The Arc offers a wide variety of services to individuals with developmental disabilities in Harford, Cecil, and Kent counties, both children and adults, to make informed choices with their lifestyles, vocations, education and recreational pursuits, and to assure stable and nurturing lives among their families and friends.*
