**The Arc Welcomes Partners with Habitat for Humanity Susquehanna
Partnership Makes a Home Possible for Don, Chuck, and Tony**

[Aberdeen]-The Arc Northern Chesapeake Region embarked on a new initiative in 2008 when a partnership between The Arc and Habitat for Humanity Susquehanna resulted in the renovation of a home in Aberdeen. Since that time, enduring community support has made multiple home renovations possible including a home for Tony, Don, and Chuck on Philadelphia Road in Aberdeen. More than 50 people attended the Home Dedication on January 27th.
