## **UMBC to Host “Kicks for Chase” Charity Soccer Game**

*UMBC Will Play Villanova to Raise Money for The Arc Northern Chesapeake Region*

**[Aberdeen, MD]** April 9, 2015 - UMBC will host Villanova in an exciting spring soccer match at Retriever Soccer Park on Friday, April 17 at 7:00 p.m. for the 3<sup>rd</sup> annual “Kicks for Chase” game. The game features the UMBC Retrievers men’s soccer team, who reached the College Cup in the 2014 season, against the Villanova Wildcats. This one of a kind event is a fundraiser for The Arc Northern Chesapeake Region (The Arc NCR).

Kicks for Chase began in 2013 in memory of Chase Bugarin. Chase, son of UMBC soccer standout Bryan Bugarin and his wife Amy, was born with Down Syndrome and severe complications. In his honor, UMBC began Kicks for Chase to raise money for children with intellectual and developmental disabilities.

“We had over 1,000 attendees at last year’s game,” says Pete Caringi, head men’s soccer coach at UMBC. “The community loves to come together to support a great cause, and our team is really looking forward to this year’s event.”

A special thank you to UMBC's Women's Soccer Team; the UMBC Marketing Department; Director of Athletic Communications, Steve Levy; Director of Athletics, Tim Hall; and the UMBC Athletic Department for giving their time and talents to make the game a possibility. "Kicks for Chase" is generously sponsored by Chartwells, Enterprise, MACS and Under Armour.

Admission to the "Kicks for Chase" game is free. Attendees will receive a custom ticket and have the opportunity to enter a raffle to win a UMBC Final Four season shirt! You can donate online and pre-order a commemorative Under Armour game t-shirt for \$10 at [www.arcncr.org](http://www.arcncr.org) or mail a check to "The Arc NCR, 4513 Philadelphia Road, Aberdeen, MD 21001." Be sure to note "Kicks for Chase" with your donation. T-shirts and refreshments will be available for sale at the game. All money raised will go to The Arc NCR's programs to support individuals with intellectual and developmental disabilities.
