The Arc NCR and the United Way Day Of Caring

Volunteers from The Arc NCR spent the day giving back to the community for the United Way's Day of Caring.

[Aberdeen] – The Arc NCR participated in the United Way's "Day of Caring" on Thursday, September 20, 2012. On this special day, The Arc NCR volunteers (Jennifer McGann, Alison Windle and Julie Chmura) joined United Way of Cecil County to work on a one-time service project and to experience what it means to "Live United."

"Day of Caring" is a unique opportunity for everyone to work together to achieve a common goal that ultimately better our community; it's a win-win for all involved.

###

The Arc offers a wide variety of services to individuals with developmental disabilities in Harford, Cecil, and Kent counties, both children and adults, to make informed choices with their lifestyles, vocations, education and recreational pursuits, and to assure stable and nurturing lives among their families and friends.
